### DY. RUSSELL'S INAUGURAL **ADDRESS**

Masterly Speech Delivered Beore the General Assembly and Public in the Capitol.

SAILS THE 99 YEAR LEASE

dvecates Government Control o oads-Strongly Condemns Lynchand Mob Law-Urges Increased tate Aid to Higher Education Up-Municipalities Not to be Ruled by ropertyless or Ignorant. of the Senate and House

is a retribution in history. toration of the people of ghts of a free and honest and of popular government ive courage and hope to the ised men of non-suffrage So long as civilization and nity endure there is always hope for the ultimate tion of error enthroned; for emption of the weak and the ed: for the overthrow of apuse they were not expressed in en law. Men whose careers ch shapes our ends, for the glos fact that North Carolina has ch and of action; for toleration respect for the opinions of all for liberty, regulated by just

equal laws. here are many matters of dotic concern which demand your ughtful attention, such as the rease of the tax rate for the common schools and improvements in their management; the establishment of reformatories for youthful criminals; the adoption of a system elty or injustice, shall authorize the arrest and commitment of the meless young and of the vagaonds and vagrants of the streets and highways; the adoption of system of apprenticeship by which neglected young may be taken om degradation and subjected to seful and elevating control, the and public otection of lawful etings against disturbances; the estigation of the conduct of dges charged with drunkenness on bench: the extention of the crimal court districts so as to embrace ore counties and the establishment an additional criminal district nd the adoption of measures calcuesirable persons in the State.

### ELECTION LAW COMMENDED.

resent election law is that which in any form. ves to judges of higher courts a loss of registration or other books.

In 1868 our system of civil judicial procedure was revolutioned by the amalgamation of the law and the equity courts. This change, then test of experience and is now generally admitted to have been a great and lasting reform. Yet much of the fallacies of the old system has damages or otherwise compelled to pected it. It was made within a
